

Dear Supporter,

In this time of uncertainty, there's a fundamental truth that gives us hope – that together we can do extraordinary things. Over the past year and a half, the entire world has been coming together to stand up, help out, give back, and heal. Whether that's through donations to community organizations, celebrating doctors and nurses, or reaching out to a neighbor to help with groceries, generosity has been helping the entire world get through this global pandemic. Together.

Mujeres en Cambio is participating in GivingTuesday 2021, the global day of unity and giving. As you know, our organization provides scholarships to deserving young girls who would not be able to continue their education beyond the 6th grade. Altogether now we have 170 active students in our program. At the September distribution we delivered scholarships to 97 *secundaria* and *preparatoria* girls and 56 university girls for a total of 407,500 pesos—a little over \$20,000 USD. But we can't do this without you!

We have incredibly great news! If you have so kindly thought of donating to our cause, we want you to know that we have a donor who will double any amount you give! So if you give \$10, it will become \$20, if you give \$50 it will turn into \$100, and so on. This generous "Angel" will match any amount up to \$10,000! Now, isn't that heavenly?

Hi, I'm Vanessa
Hernández Gallegos

Mujeres en Cambio scholarships allowed me to complete my university degree in general psychology. Mujeres en Cambio gave me inspiration to reach more goals, such as learning English and being able to work abroad. Really, thank you so much! I will always be extremely grateful to all of you. Without your support I would not have graduated. I hope you continue to support more women to fulfill their dreams.

However, as much as we need your donations, more than ever we need your help in spreading the word. Please tell your friends and family why you believe in our work and encourage them to support us too! Join the movement today!

- Talk to your neighbor and let them know about GivingTuesday
- Post about us on your social media; Facebook, Twitter, Instagram and make sure to use hashtags #givingtuesday and #mujeresencambio
- **Starting *immediately* all donations will be matched by our generous "Angel" up to \$10,000 USD**
- Donate at **mujeresencambio.org/donations**

Every donation you provide, every new supporter you bring on board, represents another step towards fulfilling the dream of a worthy young woman seeking an education.

Thank you for being a part of the Mujeres en Cambio team.

Together we can empower girls in rural Mexico through education.
